Connecticut Coalition Against Domestic Violence

Please join us for our 15th Annual Breakfast & Awards Ceremony!

We recently have seen an increased complexity in the challenges facing survivors as they continue to try to find safety and stability for themselves and their children. At the same time, domestic violence organizations are facing new hardships that include funding cuts, the loss of grants following executive orders, and harmful policy changes. Together, these forces are destabilizing and are creating further inequities that make it harder to provide the consistent, reliable support survivors deserve, no matter who they are or where they come from.

That's why your partnership and support matters now more than ever. Our coalition must secure funding needed to keep all 18 of our member organizations strong as they respond to rising demand statewide. By supporting our biggest event of the year, you help ensure that every survivor in Connecticut can access the services they need during this difficult and unprecedented time.

Below are a variety of sponsorship opportunities for your consideration. Not only will sponsorship demonstrate your support of domestic violence survivors and those leaders working to improve their lives, but it will also be an opportunity to highlight your services to over 300 attendees.
